OUT OF THE OFFICE WITH DIGGS CONSTRUCTION

Diggs Construction will be a Bronze Sponsor for this year's Matt's Mission 5K on May 19th in North Branford. This road race honors Matt Picciuto, a high school student who died in a car accident on May 23, 2009. Matt wanted to make a difference in his life, and by supporting this event, you can help make a difference in the lives of many people. Matt's Mission Fund encourages everyone to slow down and drive safe while raising awareness to the consequences of destructive driving decisions.

POST RACE UPDATE FROM OUR TWO TRIATHLETES

Denise Abbott and Lori Rohrer competed in the Landover TriRock Triathlon on November 11th, 2012 in Clearwater Florida. The race was a success as both Denise and Lori improved their times. When asked how the race went, Denise stated, "Great weather, great food and a really energetic atmosphere. Some of the best triathletes in the country where there, as well as lots of first timers. The ocean temp was a brisk 66 degrees and the air temp was about 70 at the 7 a.m. start." The ladies love the feeling they get when the race is over, knowing they've done their best and accomplished what they set out to do. "We're already strategizing about our next race!" exclaimed Denise.

PROJECTS HIGHLIGHTS

**Bridgeport DaVita - Bridgeport, CT**

Diggs Construction served as General Contractor for the renovation of the DaVita Dialysis clinic in Bridgeport, Connecticut. The project was supervised by Diggs Project Manager Kyma Harrison and consisted of cosmetic enhancements, as well as updates to meet new health code requirements. The 13,000 SF facility was completed in 12 weeks.

**Stop & Shop #0658 - Wilton, CT & #0712 - Lincoln, RI**

Diggs Construction served as the General Contractor for the renovations and upgrades to a 47,000 SF supermarket in Wilton, CT as well as the 40,000 SF remodel of the Lincoln, RI store location. Upgrades for both stores included complete sale floor tile replacement, new frozen food cases, new self-checkout registers and new automatic doors at all public entrances. All store décor was updated to the new Stop & Shop guidelines, and the Natural Food Department was relocated and expanded.

Meriden Markham Airport - Meriden, CT

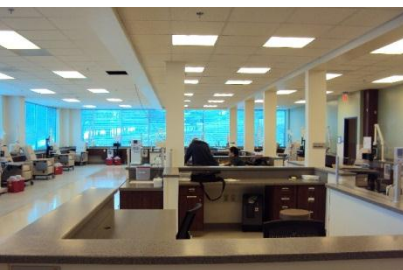

The new Snow Removal Equipment Storage Facility at Meriden Markham Airport is now complete. The project consisted of the demolition of an existing 22' x24' concrete block garage and the construction of a new 2,000 SF pre-engineered metal building.

**Buffalo Soldier Museum - Houston, TX**

The Houston Light Guard Armory underwent an historic renovation and an adaptive re-use to serve as the new home to the Buffalo Soldiers National Museum. The 22,265 SF facility now archives and displays the achievements and struggles of the "Buffalo Soldiers" and other African American military history. The building was originally designed by Alfred C. Finn Architects in 1925. Located in the Museum District and nearby Midtown, the building is of great historic significance to the City of Houston and is listed on the Texas Historic Landmark Registry.

DSI Dialysis Clinic - Oxon Hill, MD

As General Contractor, Diggs completed the Oxon Hill DSI Dialysis Clinic in two phases. Phase 1 consisted of a new 3,700 SF expansion of the existing building by constructing a new treatment floor with 21 chairs. Upon the completion of Phase 1, the existing side was renovated while occupied, and new offices as well as a new waiting room in the existing facility was built. Total size of project was 9,700 SF.

**DaVita - Carroll County, MD**

This dialysis clinic was constructed in a Medical Office Building next to the Carroll County Hospital. The 9,500 SF clinic includes 19 treatment chairs and a home training section with 3 chairs. The project was completed in December, 2012 with a construction cost of \$1 million.

Additional Healthcare projects Completed since October 2012:
